Thank you for helping make it another successful PALS season. Remember to wear an official black and white officiating shirt with black pants/shorts and arrive at least ten minutes early. If you cannot officiate, please get a substitute and call the school's athletic director to let them know the change. Officials will be paid except for weather-related changes. We have tried to give all officials a variety of games, as well as, officiating sites. Please look at your schedule immediately to see if you have any questions. If you need directions to an officiating site and rules, please check our web site at www.jeffcitypal.com. Questions can be directed to Kathy Reinkemeyer (690-8576), Ken Kuster (230-6102) and Craig Husting (230-7104). The pay scale has stayed the same--\$20.00 for fifth and sixth grade games and \$25.00 for seventh and eighth grade games. Each host site has three games on Saturdays—8-9-10 (except for a few dates might have four) and weekdays—6-7-8. If you don't see this, contact me NOW. Linn plays all games at St. George. Since we are trying some new ideas this year, I am asking for patience and understanding.
